CUC-COVENTRY DUAL AWARD MASTER OF INTERNATIONAL BUSINESS PROGRAM

POSTGRADUATE Admission 2019/2020

THE SCHOOL OF ECONOMICS AND MANAGEMENT, COMMUNICATION UNIVERSITY OF CHINA

Founded in Beijing in 1954, the Communication University of China (CUC) is **one of the top public research universities** in China under the Chinese Ministry of Education's university modernization and research advancement initiatives of Project 21 and Project 985 Innovative Platform. CUC has been consistently ranked **No.1 in China for advertising, digital animation technology, journalism, presentation arts, and radio & TV arts.**

In addition, the university is one of the most prestigious Chinese universities for its research and teaching in brand marketing, new media technology and marketing, cultural development and management, and broadcast engineering.

With the long research background in media and an integrated student-centered education with a real-world reach, the School of Economics and Management launched the China's first cultural media-focused Master of International Business (MIB) program in 2019 in collaboration with the Coventry University of UK.

COVENTRY BUSINESS SCHOOL COVENTRY UNIVERSITY, UK

Coventry University (CU) is a forward-looking, modern university with a tradition as a provider of high-quality education and a focus on applied research. The university was awarded Gold for outstanding teaching and learning in 2017 and has been ranked **No. 13 among all UK universities in 2019** by the Guardian's University Guide.

Having taught business for more than 50 years, Coventry Business School has established a good reputation in providing a dynamic and enterprising educational experience for students interested in business, economics, marketing, management, etc.

At Coventry, students have access to the largest academic trading floor of its kind in Europe, which incorporates 42 Bloomberg terminals and offers students hands-on experience of investment analysis and financial research using these industry-standard tools as well as other leading platforms such as Thomson Reuters, Eikon and Datastream, for related courses chosen.

DEVELOP AN INTERNATIONAL OUTLOOK.

The Master of International Business (MIB) program is a unique dual award partnership program between CUC and our partner institution, CU, UK. The program mainly takes place on CUC campus in Beijing, China. Students who opt for the dual award program are to complete 60 credit courses from CU via distance learning and study in CU's UK campus for at least 4 weeks, up to a term. An MIB degree from CUC and an MSc in International Business from CU will then be awarded upon graduation. Most of the courses are taught in Chinese, some are taught in English.

Offers into the dual award program is made through CUC's International Students Office and Center for Professional Postgraduate Programs. Students who opt out of the dual award program will graduate with a master's degree from CUC.

WITH THE DUAL AWARD PROGRAM, EVERYTHING COMES IN **DOUBLE.**

A TRULY GLOBAL PROGRAM THAT BRIDGES EAST AND WEST & BROADEN YOUR CAREER PROSPECT.

As a participant of the MIB program, students get to exchange perspectives within an elite class of students from across the region. The dual award program further connects students with both the eastern and the western worlds and allows students to be part of two powerful alumni networks.

MIB graduates are expected to secure executive-level jobs in multinational corporations, trading firms, social enterprises, government agencies, international organizations, etc., in China and abroad.

TAKE YOUR CAREER ACROSS BORDERS.
